1	Each group of 10 workers is required to extract 15 tons of mineral per day. A bonus of 300 zlotys is given for each ton exceeding this quota. Monthly salaries are as follows: an ordinary laborer receives 900 zlotys; a specialized laborer, 1,400 zlotys; an office employee, 1,300 zlotys; engineer, 1,900 zlotys; the director, 3,000 zlotys.			
	The annual vacation for laborers is two weeks with full pay; for office employees, one month with full pay. Until 1952, both laborers and office employees received a 50-per cent reduction on transportation rates during their vacation.			
	Employees live in private dwellings and are taken to and from work in vehicles owned by the mines.
